

College of Natural Sciences, Forestry, and Agriculture

Outstanding Graduate Student Awards Competition

Outstanding Master's Student Award

Jean A. and David A. Webb Outstanding Professional Master's Degree Student Award

Edith M. Patch Outstanding Ph.D Student Award

Outstanding Service Award

This form serves as the application for the awards mentioned in the above header. You may apply for more than one award. Complete the components of this application as indicated below.

Applications require the following:

1. Completed application form (this file)
2. A statement of two pages or less by the applicant highlighting his/her accomplishments and activities as related to the award selection criteria
3. A letter of nomination/recommendation from the applicant's graduate advisor, department chair, school director, or graduate program coordinator. A maximum of two additional letters of support may be submitted
4. Complete (official or unofficial) transcripts of the applicant's UM graduate course work.
5. Submit as one PDF file named *lastname.AWARDNAME.pdf* to um.nsfaresearch@maine.edu.
If you are applying for more than one award, include all awards in the file name (Patch, Webb, masters, or service)

List all activities and accomplishments during the period of the applicant's current degree program of study. Report only those achievements that occurred during the period of the applicant's thesis or dissertation program that is being evaluated by the awards committee. An applicant employed at UMaine during their program of study, excluding RA and TA positions, or employed elsewhere in positions related to their graduate programs or scholarship must clearly describe which accomplishments and activities in the application are associated with their academic program and which are associated with their employment. (Activity in all areas is not required).

Important additional information on application materials and requirements is provided on the College of Natural Sciences, Forestry, and Agriculture's graduate awards webpage.
